### Introduction:

I am a UI Developer at STACC OÜ since 2017. I have graduated as junior software developer (web-specialist) in 2018. My aim is to widen my expertise and find new challenges.

### Education:

2016-2018: vocational education: Tartu Vocational Education Centre, junior software developer (web specialist)

2012-2016: higher education: University of Tartu, biology (bachelor's degree)

2008-2011: secondary education: Tartu Descartes Lyceum

1999-2008: basic education: Luunja Secondary School

### Work experience:

| Period             | Company             | Position                          |
|--------------------|---------------------|-----------------------------------|
| 04.2017-present    | STACC OÜ            | UI Developer                      |
| 03.2016-04.2017    | Baltmi AS           | Encoder                           |
| 10.2013-05.2016    | University of Tartu | Microbiology internship           |
| 09.2011-02.2012    | Coffee In           | Barista                           |
| 2007-2015, summers | Lemmatu Marjatalu   | Berry picking, selling, packaging |
